

Groote Post Kapokberg Sauvianon Blanc 2015

main variety Sauvianon Blanc

vintage 2015

analysis alc: 13.5 | ph: 3.36 | rs: 3.4 | ta: 6.3

type White

style Dry taste Mineral producer Groote Post Vineyards winemaker Lukas Wentzel wine of Darling

tasting notes

This wine is typical Darling, with minerality in abundance. Fresh cut grass and green aromas are prominent on the nose, while citrus and quince abound on the palate. Well integrated acidity and abundant flavours give the wine great length.

ageing potential

The wines' balanced acidity will allow ageing for a good few years.

blend information

100% Sauvignon Blanc

in the vineyard

Vines planted: 2000 Soil: Hutton & Oakleaf Irrigation: Supplementary Trellising: 7 wire extended movable Perold Elevation: 280m

about the harvest

This was the earliest harvest I have experienced. The climatic conditions were very much in favour of a good Sauvignon Blanc year. Cooler conditions during the earlier stages of grape ripening, and the formation of smaller berries, led to more concentrated juice.

Yield: 8t/ha

in the cellar

The wine was fermented for 2 weeks in stainless steel tanks. It spent 3 months on the lees before filtration and bottling.
