## in the vineyard

Vines planted: 1995 Soil: Hutton/Oak leaf Irrigation: Dry land

Trellising: 5 wire extended moveable perold

Elevation: 400m

### about the harvest

This is a fantastic vintage. Optimal ripeness was obtained in all three cultivars.

### in the cellar

During winemaking the cultivars were kept apart and aged in third fill 300L French Oak barrels and in stainless steel tanks with staves. At 10 months the different components are blended after rigorous tasting sessions with our Old Man, Peter Pentz.
