

## Biodynamic Sauvignon blanc 2018 main variety Sauvignon Blanc vintage 2018 analysis alc: 13.07 | ph: 3.28 | rs: 1.3 | ta: 5.1 | va: 0.45 | ts02: 91 | fs02: 55 type White producer Reyneke Wines style Dry winemaker Nuschka de Vos

wine of Stellenbosch

tasting notes

This vibrant Sauvignon Blanc bursts with lime notes, Granny Smith apple, some white peach and passion fruit. There are hints of black current on the nose. The palate shows a lovely brightness and definite flinty notes. The wine reveals multiple layers as it opens up and shows great complexity, with a long lingering finish. A harmonious wine in all senses.

ageing potential

An elegant wine which is enjoyable now, but can also be drunk over the next 5 years.

blend information

100% Sauvignon Blanc

taste Mineral body Medium

in the cellar

The Sauvignon Blanc grapes are whole bunch pressed, thereby limiting the amount of soluble solids in the juice, since no settling enzymes are used

before natural fermentation occurs in 3rd fill and older French barrique. A small component of the wine is fermented in stainless steel tank. The wine is aged for six months on the gross lees, before the wine is racked from barrel and tank and prepared for bottling.
